This is a week-long knitting and craft class designed to teach the creative art of knitting in a “non-frustrating”, comprehensive but fun way! Give kids and tweens something to do besides video games on rainy days! No prior knitting experience needed. Learn to cast on, knit, purl, and more. We’ll create a fashionable item as our main project, and more projects will be completed as time allows. There are also fun games and additional crafts done each day, as well. All materials provided. (Live only) All materials/snacks included.

Love of
