Call us: (203) 426-1787

Email us: ContinuingEd@newtown.k12.ct.us

Dear Neighbors and Friends,

We appreciate the trust you have placed in us and the support you have show us. It has been a pleasure returning to our new normal together, while practicing safety.

We will continue to offer in-person classes and some virtual alternatives, as we understand not everyone is able or comfortable to join us in person.

Please continue to use the new online registration system, or feel free to mail or call in your registrations. If you have any questions, please do not hesitate to contact us, we truly enjoy serving you.

We hope to see you this Winter, or in the Spring—we have some great programming in the works. We will continue to provide skill development and enrichment courses, as long as we have the opportunity.

We look forward to seeing you,

Jennifer Arnold

Director, Newtown Continuing Education

By Mail:

Newtown Continuing Education at Newtown High School
12 Berkshire Road Sandy Hook, CT 06482

By Fax:

(203) 426-1787

Office Hours:

Monday - Friday 8:30 a.m. to 3:00 p.m.

All office hours are by phone. We encourage you to use our online, call in or mail-in registration options to register.

We are here to serve you.

Designed to benefit students of all ability levels. This 30-Hour program is divided equally between English and Math and covers all facets of the SAT.

Previous SAT type problems are used in conjunction with our own copyrighted curriculum.

Positive scores on the SAT and PSAT could translate into thousands of dollars in scholarships and savings.

Class features: Test taking techniques, preparation for the essay, practice SAT(s), advanced math and shortcut math, vocabulary development, speed-reading and online lesson podcasts for supplemental review.

Extra Help: At no charge, course materials and 6 Hours of complimentary refresher sessions are included in the tuition.

Lentz & Lentz teachers have been specifically trained to teach this program and all our instructors have a background in teaching.

Flexible Make Up Classes: Lentz & Lentz allows students the flexibility to attend live, make up classes, just contact Lentz & Lentz.

Lentz & Lentz Guarantee: Money back guarantee within three calendar days after lesson one if the student is not satisfied with the program. No refunds will be issued after that point in time. If the student does not attend the first session, regardless of any reason, there will be an \$85 charge. There is a \$25 processing fee for refunds. Please note if in-person classes are not able to run, all classes will transition to a Zoom, virtual classroom. *No discounts Apply*

*Other Discounts do not apply

The Next Street Drivers Ed 30 Hour Course:

This course includes 30 hours of time in the virtual classroom (via Zoom) and 8 hours of private driving lessons, which can be scheduled following the life of Social Distancing. In addition to fulfilling all CT state driver's ed requirements, after completing the course, teen students will have a shorter wait time for their license and most insurance providers will offer a discounted rate.

Benefits of The Next Street Drivers Ed Courses :

Flexible, affordable prices to provide your child with professional instruction.

Full Driver's Ed Course:

30 Hours of classroom and 8 hours of behind-the-wheel often qualifies you for an insurance discount!

License Testing: (additional fee)

You can take the test with The Next Street, have Next Street meet you at DMV, or for an additional fee—they take you to DMV!

Private Drivers Lessons:

Private driving lessons are 2-hour appointments, and can be purchased at the time of enrollment, or can be added to an existing account.

Students must be 16 years of age at the start of the class. A permit is required for the driving portion of the course, but not at the onset for classroom time.

GARDENING & FITNESS

Happy Houseplants 101 \$39

There's a few months before winter is gone, so gardening outside will have to wait. Why not do some indoor gardening? We're talking houseplants! Do you have a hard time with indoor plants? Already a houseplant enthusiast? Expand your knowledge and know how. We will cover all sorts of houseplant situations and offer advice on how to keep your houseplants happy, what plants to choose (and what to avoid), where to place them, and how to maintain and overwinter indoor potted plants. From common houseplants to orchids, African violets, and everything in between, we'll tackle the different challenges of indoor gardening and learn how to make your houseplants work for you!

Monday
6:30 - 8:30 p.m.

UPCOMING COURSES:
January 25
*Online Course

From Start to Finish:

A Beginner's Guide to Seeds \$39

Have you ever wanted to plant your garden using seeds but didn't know where to start? Or are you interested in saving seeds for next year, but not sure what is the best way or which seeds to save? In this class, we will do an overview, from flowers to vegetables, on using seeds from start to finish. Learn about the various seed types available, how to "read" seed packets, different methods and containers available, starting seeds indoors, and how to save various seeds for the next year. It's "Seed 101"! Seed catalogs and packets are popping up now, and this class will help take the guesswork out of seed starting.

Monday
6:30 - 8:30 p.m.

UPCOMING COURSES:
Beginning February 22
*Online Course

Cardio Dance & Tone

\$69

Join us for this fun and effective workout! We will warm-up and then alternate aerobics/cardio dance routines with toning exercises for arms, legs and abs and then finish with stretching. This type of workout has been shown to burn the most fat, as the body readjusts to the varying exercises. All levels are welcome as you can go at your own pace. High intensity and low intensity options will be demonstrated. Please wear comfortable clothing and sneakers and bring hand held weights (or 2 water bottles or soup cans) a yoga, or exercise mat and water.

No Discounts Apply

Tuesdays **6 Classes**

Session 1: Dec 15, 22 Jan 5, 12, 19, 26

Session 2: Feb 2, 9, 23, Mar 2, 9, 16

4:30 - 5:30 pm Newtown High School

Jill Patterson

KNITTING

Beginner Knitting Circle **\$135**

Make time for yourself and learn to knit! If you've always wanted to knit, but didn't know where to start, or need to brush up on the basics, this course is for you! Learn to cast on, knit, purl and more, creating a fashionable project to start! Knitting is a great hobby that can be transported with you- knit at sports events, waiting rooms...using snippets of time! Learn about different fibers, try out different types and sizes of needles, and more!

Crochet basics will also be taught.

Students need to bring in a skein of SUPER bulky-weight yarn (recommended: Lion brand Wool-Ease "Thick N' Quick" available at JoAnn's, Michaels, or Amazon) of their choice, and US size 13, or 15 knitting needles to start.

UPCOMING COURSES:

Wednesdays
6:45 - 7:45 p.m.
(8 Sessions)

Beginning January 13
Teen Center

Wednesdays
11 a.m. - 12 p.m.
(8 Sessions)

Beginning January 13
Teen Center

Thursdays
11 a.m. - 12 p.m.
(8 Sessions)

Beginning January 14
*Online Course

Intermediate Knitting+ **\$135**

For those who can cast on and knit garter stitch, and are ready to build more skills (or have completed the beginner course). Several projects will be created starting with an "oh so cute" hat that can be made in sizes from children to adults, as well as a seamless project "knitting in the round" on circular needles. In this comprehensive, step-by-step, fun class, you'll learn to read patterns, check gauge, master more difficult stitches (including cables) and more! Students need to bring in size 10 (longer length, preferably) straight needles and one skein (150 yards) of worsted weight yarn of their choice to start. Other materials needed discussed in class. Students can also bring independent projects for help and instruction, as well.

UPCOMING COURSES:

Wednesdays
12:15 - 1:15 p.m.
(8 Sessions)

Beginning January 13
Teen Center

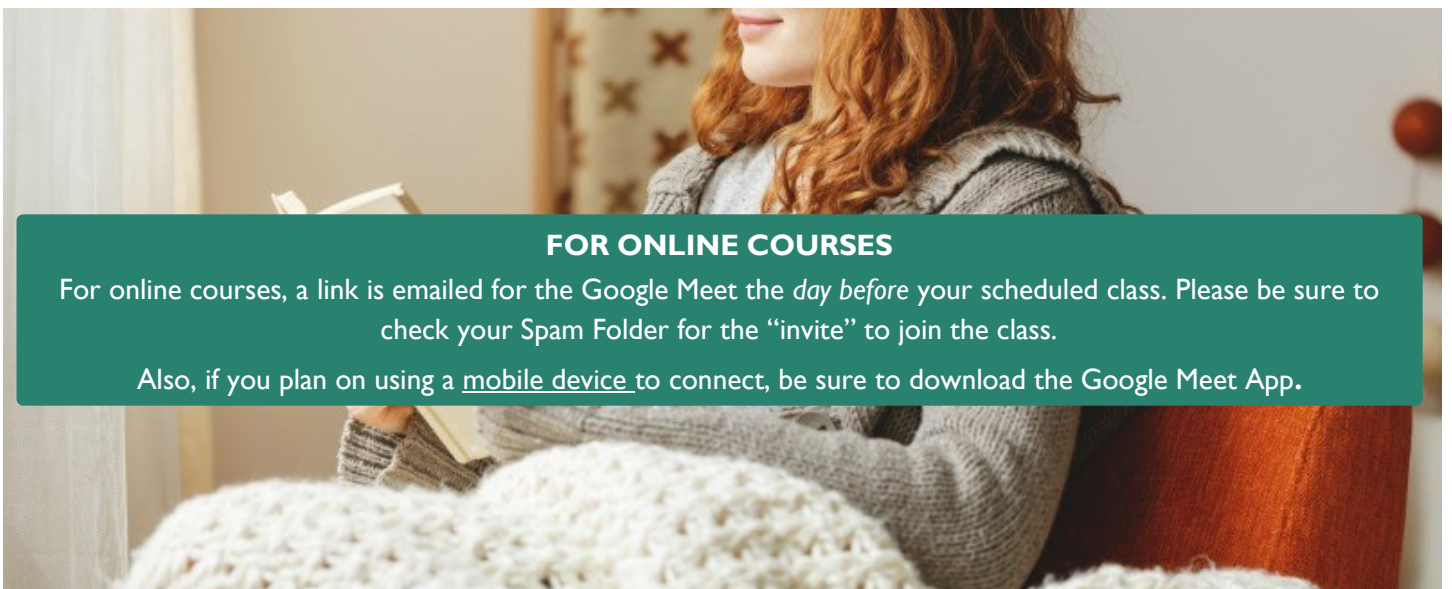

Thursdays
6:45 - 7:45 p.m.
(8 Sessions)

Beginning January 14
Teen Center

Personal Skill Development Online Catalog: ed2go.com/newtown/

Interactive, instructor-led or self-paced, courses.

Advanced Career Training/Certification Catalog: careertraining.ed2go.com/newtown/

Prepare for industry certification or a new career. Start any-time and receive in-depth study materials.
Many complete in 6 months or less.

Accounting Fundamentals:

In this comprehensive course, you will learn the basics of double-entry bookkeeping, as well as how to analyze and record financial transactions. You will get hands-on experience with handling accounts receivable, accounts payable, payroll procedures, sales taxes, and various common banking activities.

Accounting Fundamentals covers all the bases, from writing checks to preparing an income statement and closing out accounts at the end of each fiscal period. Whether you're a sole proprietor looking to manage your business finances or you simply want to gain an understanding of accounting basics for career advancement or for personal use, this course will give you a solid foundation in financial matters.

Visit
Ed2go.com/newtown/
for full listing

Web Applications Developer:

Whether you're new to web app development or want to enhance your skills, this course will give you the knowledge you need to create dynamic database-driven websites using the latest technologies.

You will first master basic HTML, the core technology behind almost all websites. You will then learn CSS for styling pages and discover JavaScript makes your pages more dynamic. In addition, you will learn best practices and uses for PHP and jQuery.

After completing the course, you will have the skills needed to start an entry-level career in web application development.
