### JEWELRY DESIGN

We will explore the design and structure of jewelry with various types of jewelry including necklaces, bracelets, anklets, earrings, barrettes and pins. Color, patterns, and shape will be examined in relationship to design

development. A variety of materials will be used including seed beads, super sculpey, foam, leather and more. Creativity and individual ideas will be stressed while taking into account the practicality of everyday wear.

Instructor: Pat Martin

**Both Sessions** Exiting grades K to 6

### COLLAGE AND 3-D ART

During the first week of camp we will concentrate on creating art through the medium of collage using a variety of materials such as varn, paper, fabric, and other materials. The second week we will progress into the exploration of creating three-dimensional art using a tery as well as creative sculpture—monsters, nature-inspired works, variety of different media such as fabric, cardboard, paper maché, wire, and more. Campers will create several distinct and individual art works.

Session 1 Only

### EXPLORING COLLAGE

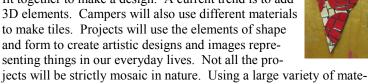

Campers will explore Collage Artists Eric Carle, Lois Ehlert, Leo Lionni, and more. They will develop their own art in several mediums. We will work with many materials with many textures such as; fabric, plastics, paper, yarn, natural fibers, etc. Campers will explore creative ideas and concepts in new and interesting mediums with their own selections of subject. Come ready to explore many materials and to have fun!

Instructor: Pat Martin

Exiting grades K to 6 Session II Only

### MOSAICS AND PAPER ART

By using sponge stamps to make a mosaic design, campers learn the basic concept of how small parts can fit together to make a design. A current trend is to add 3D elements. Campers will also use different materials to make tiles. Projects will use the elements of shape and form to create artistic designs and images representing things in our everyday lives. Not all the pro-

rials from paper to ceramic tiles to form mosaics is always a creative adventure.

Instructor: Lisa Dawson

Exiting grades K to 6 **Both Sessions** 

## PAPER MACHE

Students will use Cell-U-Clay, a fine form of paper Maché that is like

clay. They will learn to build armatures to make projects which will include making sculptural as well as functional items teaching techniques like making a hollow vessel. Campers will choose their favorite animal to sculpt and may even make it articulate. Time permitting, students will have many

more projects to choose from including a vase, bowl, faux cave painting, napkin rings and so much more. The nature of the work is such that our goal is to complete at least two or three projects.

Instructor: Lisa Dawson

Exiting grades K to 6 **Both Sessions** 

# PUPPET MAKING

Students will use a variety of materials to make puppets. Starting with paper, students will color and decorate puppets. Then students will draw and create their own characters. We will also

make puppets from paper bags, Paper Maché, gloves, socks and pool noodle pieces. The students will be encouraged to create stories and put on plays in a puppet theater. It's always fun to watch what evolves when imagination and creativity have no set limitations.

Instructor: Lisa Dawson

Exiting grades K to 6 **Both Sessions** 

# ADVENTURES IN STUDIO ART

Explore the dynamic world of studio art! From leaf and veggie prints to sculpture with Sculpy, we will explore the many facets of the art world. We will create paper collages, mosaic art, blow and bubble painting with straws, marble painting and more!

Instructor: Maureen Molinaro

Exiting grades K to 6 **Both Sessions** 

# ANIMALS OF THE LAND AND SEA

Lions and tigers and whales, oh my! Create one-of-akind projects such as animal totem poles, ocean sun catchers, pine cone woodland creatures, safari pet rocks and more! Using fun techniques like bubble and Q-tip painting, paper crafting and sculpture, animal-loving kids will have a blast!

Instructor: Maureen Molinaro

Exiting grades K to 6 **Both Sessions** 

# ADVENTURES IN PAINTING

Do you love to paint? We will be exploring all different painting

techniques and a variety of materials including acrylic, watercolor, and fabric paint. We will learn to paint with watercolor and salt, stenciling and vegetable stamping with acrylics, scratch painting, and fabric painting. You will do a self portrait, a still life

and many other exciting projects. Be prepared to have fun and bring a smock!

### YOGA ADVENTURE—GRADES K-3

Lions and Tigers and Bears...Oh My! This class will help children express their creativity and imagination through fun-filled yoga games, experiments, and traditional yoga techniques. Yoga postures are based on nature so we will transform ourselves into animals on an exciting yoga adventure where we will learn different yoga poses, simple breathing techniques, and guided visualizations. Students will

experience firsthand how yoga works from the inside out, empowering them to face whatever life has in store for them.

# YOGA—GRADES 3-6

You will find this lively class with upbeat music, a nice combination of physical challenge, stress relief, relaxation, and fun. Yoga practice benefits today's busy young people allowing them to de-stress and center themselves. It's an inspiring way to cultivate confidence, improve focus, increase body awareness, and create a positive body image. Chill out with other young people in this ancient Indian art of

> self-discipline and development. Get strong, get flexible, get healthy and make new friends. Plus...yoga is cool!

## THEATER & PERFORMANCE WORKSHOP I—GRADES K-2

Students will participate in theater games, improvisation, and creative movement exercises.

In addition, students will practice acting, singing, and dancing in preparation for our theatrical performance to be presented to the greater SMART Camp community and parents. Instructors: Stephanie Plavin and Kyle Watkins

Both Sessions Exiting grades K to 3

# THEATER & PERFORMANCE WORKSHOP II—GRADES 3-6

Students can choose to enroll in this course for Class 2 only, or may opt for the double period class-Production and

Rehearsal Workshop, if they are interested in a more intensive experience. Only students enrolled in BOTH classes will be able to take on leading acting roles in our theatrical performance. Students

will participate in theater games, improvisation, and creative movement exercises. In addition, they will practice acting, singing, and dancing in preparation for our theatrical performance to be presented to the greater SMART Camp community and parents.

structors: Stephanie Plavin an Kyle Watkins Exiting grades 3 to 6 **Both Sessions** 

# PRODUCTION & REHEARSAL WORKSHOP—GRADES 3-6

In this 2-period class, students will build the skills fostered in Theater and Performance Workshop II, workshopping script ideas and rehearsing for the culminating performance while also exploring concepts such as character development,

stage presence, production design, and more. Again, only students enrolled in this double session will be able to take on leading acting roles in our theatrical performance.
